

During the period 15-18 September raider groups again became active on CHEJU DO, 4 persons having been killed by raider groups in various locations throughout the island. On 18 September approximately 12 people of SUH KWANG LI (930-1124) were abducted by a raider group but were released the following day. The kidnaping was apparently carried out to increase the prestige or indicate the power of the raiders.

On 18 September approximately 30 people in the village of HAM DOX LI (936-1155) were mobilized to set signal fires by a raider group.

On 17 September the KEUM YUNG (975-1157) police box was fired on by raiders but no damage was caused. (CIC P/R #225. C-2)

✓ (1) Handbills Distributed in South KOREA

The appearance of handbills in AN'OL Myun (940-1140), CHEJU-DO, has recently become a nightly occurrence. The following activities are advocated by the handbills.

- (1) Rid CHEJU-DO of the mainland police.
- (2) Support the People's Conference of the Korean Democratic People's Republic.
- (3) Destroy the separate government of RHEE Syng Man.
- (4) Resist taxes and grain collection.

One handbill warned the police, NORTHWEST YOUNG MEN'S ASSOCIATION and the Village Self Protection Police they should cooperate with the North Korean Republic because the American troops would soon leave. (CIC P/R #227. C-2)
